

Essco offers a wide variety of quality attachment tools that fit a wide assortment of vacuum cleaners. These parts include tools for your floor, upholstery, counter and areas that are tough to reach.

This assortment of fit all items are top selling tools that give you margin enhancing opportunities that are not found in traditional large outlet stores, i.e. flexible crevice tools, attachments specifically made for pets and telescopic wands to extend your vacuum's reach.

Fit all tools allow dealers to offer customer solutions and allow you to create unique assortments.
