**All HealthMate Machines:**

The Austin Air HealthMate® uses our originally designed filter that contains a blend of activated carbon and zeolite capable of absorbing chemicals, odors and gases as well as true medical grade HEPA (High Efficiency Particulate Arrestance). The HEPA in this filter traps 99.97% of all particles down to 0.3 microns in size. Today this is still our most popular unit as it addresses the most general of indoor air quality concerns.

## HealthMate

Essco #:

[AA-HM400-3](#) Black

*Efficiently removes a wide range of airborne pollutants and allergens, including dust, pollen, chemicals and gases. Filters viruses and bacteria.*

*Covers 1500 sq ft.*

Model #: **B400**

MAP: **\$594.99**

- 360° Perforated Steel Intake Housing
- Baked on Powder Coat Paint Finish
- 3 Speed Centrifugal Fan
- High Efficiency Motor Rated for Continuous Use at High RPM
- **Stage 1 Filtration** - Large Particle Pre-filter. Removes particles easily seen by the naked eye (e.g. dust, hair and pet dander)
- **Stage 2 Filtration** - Medium Particle Pre- filter. Removes small to medium size particles (e.g. molds, spores and pollen)
- **Stage 3 Filtration** - Over 780 cubic inches of Activated Carbon and Zeolite. Removes chemicals, gases and odors.
- **Stage 4 Filtration** - 60 sq. ft. of True Medical Grade HEPA. Removes 99.97% of all particles larger than 0.3 microns and 95% of all particles larger than 0.1 microns.

**All HealthMate Plus Machines:**

The Austin Air HealthMate Plus® Filter has a true medical grade HEPA (High Efficiency Particulate Arresting) filter surrounded by a blend of potassium iodide impregnated carbon/zeolite mixture. This additive, along with the activated carbon and zeolite, delivers greater capacity for the filtration of chemicals and gases including Volatile Organic Compounds (VOCs). The HEPA filters 99.97% of all particles down to 0.3 microns in size. Consequently, this combination of medias provide improved relief in highly contaminated air spaces for those who are severely chemically sensitive.

**HealthMate Plus**

**Essco #:**

**AA-HM600-0 Sandstone**
