Replacement Bags

DVC Replacement Bag Features and Benefits

Quality	Type/Name	Filtration	Benefit
Best	HEPA Bags	5-Ply HEPA	Captures 99.97% of particles down to .3 microns. Reinforced stitching, ideal for pet hair, breathe easier
Better	Allergen Performance Bags	3-Ply Advanced Fiber Filtration	Captures particles down to 1 micron using multi-ply synthetic media, minimal loss of suction
Good	Micro Lined Bags	2-Ply Filtration	Captures 99.7% of particles down to 5 microns
Basic	Vac Bags	Standard Filtration	Captures most dirt and dust

Replacement Filters

DVC Vacuum Filters

DVC aftermarket vacuum cleaner filters are made using the highest OEM quality standards; with one of the largest selections of filters available on the market today. DVC filters offer a replacement guarantee.

Consumers have come to recognize the DVC brand and trust the performance of their filters. DVC makes standard filtration products as well as some of the highest quality HEPA filters.
